

AUTOMATIC SAREE ROLL PRESS MACHINE

The **Prime Saree Roll Press Machine PSE01 (Electric) & PSG01 (Gas)** is designed for professional finishing of cotton, silk, and designer sarees with precision and efficiency. Engineered with advanced temperature and speed controls, it ensures a smooth, polished finish with perfect flatness, even for heavy or handworked sarees. Built for durability, performance, and ease of operation, this machine is ideal for large-scale laundry and garment applications.

- 1) Polyester Belt material
- 2) Spray gun with auto cut senses
- 3) Two S.S. Tank & one H.P compressor required for pressure

**Durable
Build**

Robust materials for long life and steady performance

**Adjustable
Control**

Variable speed (0.8–3 m/min) & precise heating for all fabrics

**Dual
Heating**

Electric or Gas/LPG models with uniform heat & efficiency

**Smooth
Cylinder**

400×1600 mm polished drum for flawless finishing.

**Safe
Operation**

Microcontroller control, emergency stop, & overload protection

**Compact
& Mobile**

Trolley-mounted for easy movement

**Auto Starch
Sprayer
(Optional)**

Automated system for added shine and crispness
