## Hardmount Washer-Extractors

heavy-duty design meets superior machine mechanics to form the industry's most trusted hardmount washer-extractor. Strong frame lasts longer, balances loads more efficiently, and is designed to reduce sound and vibration levels. Advanced inverter drive system provides smooth, reliable performance. Higher extraction speeds mean shorter dry times and lower energy bills. Sump system design maximizes cleaning power while using 7% less water. Leak detection with our patented Water Guardian, saves water by detecting slow or leaking fill-valves and drains. Easily serviceable with front panel access.
